Wall Tex Sand

65401 Wall Tex Sand is self-adhesive vinyl wall paper for the use of all solvent, eco-solvent, UV and latex printers. Its texture design and tear resistance lends style and grace to any interior space and a truly elegant choice that is superb for decorating the commercial, residential and public places requiring a sophisticated look and feel. Its fine texture produces sharp imagery and brings out lusciously rich tonal qualities to dress a space to perfection.

Self-adhesive or pre-paste is recommended for easy application and it saves time to prepare a standalone adhesive required for traditional wall covering, even you can decorate it at home by yourself. Save labor hour, time and money.
