EnviroScape® Mural HD Plus

EnviroScape Mural® is available in Smooth or Textured, for a unique embossed surface finish. EnviroScape Mural® is a PVC free wall, window or hard surface scaping product that is pre-pasted with a water activated adhesive backing system, making it easy to install and just as easy to remove, while supporting LEED credit certification for green building applications.

To achieve sustainable advantage over traditional pressure sensitive vinyl materials, this high performance and dimensionally stable product is fiber based and incorporates 10% post-consumer waste in its construction.

Applications: Murals, Wall Decor, Pole wrap, POP signage, Window signage
